

LEASHES OF VALOR

OUR MISSION

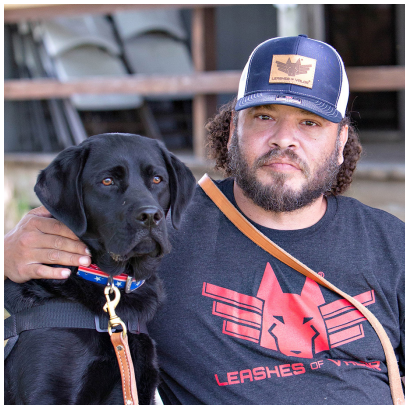

is as simple as it is critical:

Bring service dogs and
post-9/11 Veterans together
to enrich the lives of both.

ONE LEASH SAVES TWO LIVES

Founded by and for Veterans in 2017, Leashes of Valor is a national nonprofit working to provide a highly-trained service dog to every post-9/11 Veteran who needs one to ease the symptoms of post-traumatic stress disorder, military sexual trauma, and traumatic brain injury.

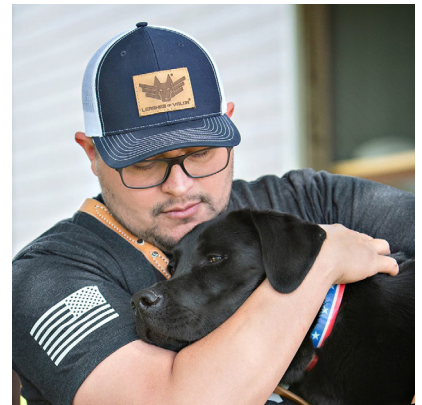

GABE AND PATTON

"Patton gets me out of the house. I wasn't getting out at all. Now I go to the park two or three times a day with my son."

TAMMIE AND FLINT

"I want to feel more empowered. I want to be stronger without faking it. I want the next person's path to be smoother than mine."

ALAN AND MCGEE

"I have PTSD and traumatic brain injury. Now that I have McGee, I'm ready for the next adventure in my recovery."
